Applilet3 for RL78, Applilet3 for 78K and Applilet3 for V850 Revised

We have revised the Applilet3 for RL78, the Applilet3 for 78K and the Applilet3 for V850. Although the Applilet3 products were being provided per group, they will be provided as family-unit products in and after this revision. In other words, the products for each group have been merged into single products for the whole families to which the groups belong.
