e2 studio Integrated Development Environment V4.0.2.008 Update

We are updating the e2 studio integrated development environment (IDE) from V4.0.1.007 to V4.0.2.008

For an overview of the product, see the following page: <https://www.renesas.com/e2studio>

1. Product and Versions to be updated e2 studio V4.0.0.26 and V4.0.1.007

You can check the version number of your e2 studio in the dialog box opened by selecting "About e2 studio" from the "Help" menu of e2 studio.

2. Description of Revision

2.1 Addition of Supported MCUs

RX family: RX230 and RX231 groups

For details, see the e2 studio Release Note:

https://www.renesas.com/e2studio_document

2.2 Modification to Device information

RL78 family: SFR information of RL78/I1D group is modified.

RX family: For RX23T group, C language I/O header file and the register information on debugger I/O view are updated.

2.3 Fix of the problem

The following problem on RENESAS TOOL NEWS Document No. 150807/tn1 is fixed with this revision.

Note on Using e2 studio Integrated Development Environment V4.0

For details of the problem, go to:

<https://www.renesas.com/search/keyword-search.html#genre=document&q=150807tn1>
This site will be available from August 7th, 2015.

3. Updating Your Product

3.1 Online updating

Select "Check for Updates" from the "Help" menu of e2 studio for the automatic updating.

This service will be available from August 7th, 2015.

Note:

Auto-updating cannot handle updating to V4.0 from V3.1 and earlier versions. Install the V4.0.2 in the way described under 3.2.

3.2 Downloading the installer file from the Web site

Downloading the installer file for e2 studio V4.0.2.008 from the Web site below, install it using the installer.

The file will be published on this site on August 7th, 2015.

e2 studio download site:

https://www.renesas.com/e2studio_download

Note:

There are two types of installer, for on-line called "Web installer" and for offline.

For environments without internet connection, use the offline installer.

For details, see the instructions on the download site above.
