https://www.renesas.com/flash_libraries/data_flash

NOTE:
If a customer from countries other than Japan or those in Asia wishes to use the product, contact us via the distributor at: application_support.flash-eu@lm.renesas.com

---

1. Overview
EEPROM Emulation Library for the RL78 family is a free software library
for executing the EEPROM emulation from a user-created program.
The amount of the user area being consumed by the library was shrunk in
EEPROM Emulation Library Pack02, compared with that of Pack01,
as a result of the code size reduction in the library.

2. Supported MCUs
In the RL78 family:
RL78/D1A group
RL78/F12, RL78/F13 and RL78/F14 groups
RL78/G13, RL78/G14 and RL78/G1A groups
RL78/I1A group
RL78/L13 and RL78/L1C groups

3. Obtaining Product
To obtain the product, follow these steps:
(1) Visit the Web site at:

https://www.renesas.com/data_flash_download

A list of software is displayed.

(2) Find the following product name from the list:

- EEPROM Emulation Library Pack02 for RL78 Family Ver.1.01

This product name will be published on March 31, 2014.

(3) Click the hyperlink on the product name.

(4) Read through AGREEMENT and click Agree.

(5) From the Download page, download the product.

If a customer from countries other than Japan or those in Asia
wishes to use the product, contact us via the distributor at:
