3. How to Update Your Products

Free-of-charge online update is available. Use AutoUpdate Utility on and after October 6; otherwise use the following procedure:

(1) Download the update program (a ZIP file) of the product you want from the Web site at

http://www.renesas.com/e200f_download

This site will be opened from October 6 on.

The above URL is that of our global site (in English).

(2) Decompress the downloaded ZIP file to obtain the installer program HewInstMan.exe and execute it.

4. Notice

If the above installer program is executed in the system where High-performance Embedded Workshop V.4.04.00 or earlier resides, it will be upgraded to V.4.04.01.
