3. Updating Your Product

3.1 Online Updating

Select "Check for Updates" from the "Help" menu of the e^2 studio.
V4.3.1 will be available from June 20.

Note: Online updating cannot be used for updating e^2 studio from V3.1 or earlier versions to V4.3.1. Alternatively, please apply the procedure described under 3.2 as new installation.

3.2 Downloading the Update File from the Web Site

Download the installer of e^2 studio from the following URL:

The installer for V4.3.1 will be available on the Web site from June 20.

http://www.renesas.com/products/software-tools/tools/ide/e2studio.html#downloads

Notes   1.   **Updating to V4.3.1 from V3.1 or earlier versions, or updating by overwriting an existing installation are unavailable. Create another folder and newly install the e^2 studio.**

2.   We have two installers, one for on-line use (web installer) and the other for off-line use.
Only the latest revisions of V4.3 on-line installer is valid for V4.3.1 installation. Likewise, the latest revision of V5.0 on-line installer should be applied for V5.0 on-line installation. Please verify if it is the latest revision on the download page before launch installation.
Please use the off-line installer in an environment that is not connected to the Internet.
Refer to the download page indicated above for details.
