RL78 Family

Package Ver.2.00 for the EEPROM Emulation Library Pack02

Outline

We have produced the package for EEPROM Emulation Library Pack02 for the RL78 family for revision. Two types of packages for the CA78K0R compiler and for the CC-RL compiler have been integrated, and the Japanese and English editions of the user's manual have been integrated.

1. Integrated Packages

➢ Package Ver.1.01 for the EEPROM Emulation Library Pack 02 for the CA78K0R Compiler for the RL78 Family, Japan Release (for Japan and Other Asian Countries)

➢ Package Ver.1.01 for the EEPROM Emulation Library Pack 02 for the CC-RL Compiler for the RL78 Family, Japan Release (for Japan and Other Asian Countries)

For details of the supported MCUs of each library, visit our Web site at:

RL78 Family Self RAM List of Flash Self Programming Library

2. Items Revised

2.1 Integration of Packages

Packages for the CA78K0R compiler and for the CC-RL compiler have been integrated as follows[Note].

■ Before integration:

➢ Package Ver.1.01 for the EEPROM Emulation Library Pack 02 for the CA78K0R Compiler for the RL78 Family, Japan Release (for Japan and Other Asian Countries)
Package file name: JP_R_EEL_RL78_P02_V1.01_B_E.zip

➢ Package Ver.1.01 for the EEPROM Emulation Library Pack 02 for the CC-RL Compiler for the RL78 Family, Japan Release (for Japan and Other Asian Countries)
Package file name: JP_R_EEL_RL78_P02_V1.01_CCRL_B_E.zip

■ After integration:

➢ Package Ver.2.00 for the EEPROM Emulation Library Pack02 for the RL78 Family
Package file name: FDL_EEL_RL78_Type02_Installer_V200.zip

Note: The package after integration includes the EEPROM Emulation Library Pack02 for the CA78K0R compiler and CC-RL compiler for the RL78 family.
The included EEPROM Emulation Library for the CA78K0R compiler and CC-RL compiler for the RL78 family has not been changed.

2.2   Document (User's Manual)

The user's manual[Note] placed on the site at the following URL has not been changed.

➢ https://www.renesas.com/search/keyword-search.html#genre=document&q=r01us0068
   RL78 Family EEPROM Emulation Library Pack02
   User's Manual for Japan release
   Document number: R01US0068EJ0101
   The package after integration includes the document.

➢ https://www.renesas.com/search/keyword-search.html#genre=document&q=r20ut3486
   RL78 Family EEPROM Emulation Library Pack02
   Differences between the CA78K0R compiler version and the CC-RL compiler version
   Document number: R20UT3486EJ0100
   The package after integration includes the document.

Note: For customers in Europe/Middle East/Africa, Americas, or Brazil, please see the user's manual on the site at the following URL.

➢ https://www.renesas.com/search/keyword-search.html#genre=document&q=r01us0070
   EEPROM Emulation Library Type T02 (Tiny)
   Document number: R01US0070ED0105

➢ https://www.renesas.com/search/keyword-search.html#genre=document&q=r01us0061
   Data Flash Access Library Type T02 (Tiny)
   Document number: R01US0061ED0120

3.   Obtaining the Package

3.1   Package

Download the package (zip file) from the Web site at the following URL, decompress the zip file, and then execute the installer. Select "Asia/Oceania – English"[Note] from the pull-down menu, and then click the "OK" button. Then, follow the directions provided by the installer.

Package Ver.2.00 for the EEPROM Emulation Library Pack02 for the RL78 Family
This package will be available from September 21.
Package file name: FDL_EEL_RL78_Type02_Installer_V200.zip

Note: For customers in Europe/Middle East/Africa, Americas, or Brazil, please select "America/Europe/Middle East/Africa" from the pull-down menu.
